Dear Chairmen Maynard and Guerrera and Members of the Transportation Committee,

I am writing in support of General Assembly Bill HB 5461. I think this would help individuals, as well as small businesses who sell classic cars in the state of Connecticut. It might also encourage businesses to come to CT to sell classic cars, as well as auction companies.

If this bill would help individuals, encourage business, and in turn generate revenue for the state; it seems unquestionably the right thing to do.

Sincerely,

Mary Wennerstrom
Event Chairman
